MOTION TO SEAL

The United States of America (“United States”) hereby moves for an order sealing its Response in Opposition to Motion to Dismiss the Indictment (submitted to the Court this same day) (“Response”) until further order of the Court, for the following reason. In the Response, for the sole purpose of providing the Court with information relevant to Indivior’s Motion, the United States quotes a statement that defense counsel made in discussions with the United States, and testimony of Indivior employees and former employees before the grand jury. Defense counsel may wish to have its statement kept confidential, and the witnesses’ testimony should be kept confidential. Accordingly, the United States asks that the Response be filed under seal. If this Motion to Seal is granted, the United States will file a redacted version of the Response on the public docket.

Respectfully submitted,
